INTRODUCTION

Turtle Tanks responsibly safeguards the privacy of its customers, and contractors. Turtle Tanks understands the sensitivity with which the personal information of its customers and contractors must be handled and is committed to safeguarding your privacy in order to earn and maintain your trust. Turtle Tanks will use its best efforts to ensure that the information entrusted with us is used only for the purposes set forth herein or as otherwise communicated to you at the time you provide us with such personal information.

We collect your personal Information so that we can assess your application to become a Turtle Tanks Manage to Own Candidate. The information you supply in this Application and during the meetings we have during the assessment process may be shared with the Turtle Tanks Human Resources Department. The purpose in sharing the information is so we can assess your training and development needs and the extent to which you meet Turtle Tanks requirements.

If your application is successful the information we collect will become part of the records we keep about our contractors and employees. If your application is unsuccessful we will destroy all information within three months of you being notified.

I hereby declare that the above information is true and correct.
